中国国际大学生创新大赛（2026）

国际参赛邀请函

**Invitation to Participate in the China
International College Students' Innovation
Competition (CICSIC) 2026**

中国国际大学生创新大赛积极推进国际交流合作，搭建世界大学生创新实践竞赛平台，已成为参赛规模最大的全球性创新赛事。2017—2025年，共有来自157个国家和地区的5万余个国际项目、18万余名国际大学生参加大赛。今年，我们将在中国南京举办中国国际大学生创新大赛（2026）总决赛，诚挚

邀请全球优秀青年积极参加，共圆青年创新梦想，共创世界美好未来。

The China International College Students' Innovation Competition (CICSIC) is dedicated to promoting international exchange and collaboration in innovation and entrepreneurship. As a global platform for college students to showcase their innovation practices, CICSIC has become one of the largest innovation competitions worldwide. From 2017 to 2025, CICSIC welcomed over 50,000 international projects and 180,000 students from 157 countries and regions. This year, we are thrilled to host the CICSIC 2026 Grand Final in Nanjing, China. We sincerely invite outstanding young minds from across the globe to participate and join us in realizing your innovative dreams and creating a brighter future together.

一、参赛要求

I. Entry Requirements

1. 参赛项目能够紧密结合社会需求，培育新产品、新业态、新模式，促进制造业、农业、卫生、能源、环保、战略性新兴产业等转型升级，促进数字技术与教育、医疗、交通、金融、消费生活、文化传播等深度融合。具体参赛项目类型可咨询邀请的中国高校或大赛海外合办赛伙伴。

1. Projects should closely address societal needs, foster new products, new business formats and new models, contribute to the transformation and upgrading of manufacturing, agriculture, health, energy, environmental protection, strategic emerging industries and other sectors, and promote the deep integration of digital technologies with education, healthcare, transportation, finance, consumption and daily life, cultural communication and other fields. For specific project categories, please consult the inviting Chinese institution or the Competition's international co-organizing partner.

2. 参赛项目应弘扬正能量，须真实、健康、合法，不得含有任何违反法律法规的内容。项目所涉及的发明创造、专利技术、资源等必须拥有清晰合法的知识产权或物权；如有抄袭盗用他人成果、提供虚假材料等行为，一经发现即刻取消参赛资格、所获奖项，并自负一切法律责任。

2. Projects must promote positive values, and be authentic, healthy and lawful, and must not contain any content that violates laws or regulations. All inventions, patented technologies and resources involved in a project must be supported by clear and lawful intellectual property or property rights. In the event of plagiarism or misappropriation of others' work, or submission of false materials, the entrant will be immediately disqualified and

stripped of any awards once discovered, and shall bear all legal liability.

3. 参赛项目应选择符合要求的组别报名参赛。参赛团队须在报名系统中将项目所涉及的材料按时如实填写提交。参赛学生在 1 个赛道最多参与 1 个项目。大赛往年总决赛获奖项目，不可报名参加今年大赛。

3. Projects must select the appropriate category for registration. The team must complete and submit all relevant project materials truthfully through the registration system within the specified deadline. Each student may participate in at most 1 project per track. Projects that have won awards at previous CICSIC Grand Finals are not eligible for this year's Competition.

4. 参赛人员年龄不超过 35 岁（1991 年 3 月 1 日及以后出生）。

4. Participants must be under 35 years of age (born on or after March 1, 1991).

二、参赛方式

II. How to Participate

大赛以团队为单位报名参赛。允许跨校组队，每个团队的成员不少于 2 人，不多于 15 人（含团队负责人），所有成员均须为项目的实际核心成员。

The Competition only accepts team entries. Cross-institution teams are permitted. Each team must have no fewer than 2 and no more than 15 members (including the team leader), and all members must be core contributors to the project.

参赛团队所有成员须为具有国外普通高等院校学籍的在校生或毕业 5 年以内的毕业生（即 2021 年之后的毕业生，下同），参赛申报人须为团队负责人，根据团队负责人的国外院校学籍或学历确定参赛团队所代表的参赛学校，且代表的参赛学校具有唯一性。国外院校是指设立在国外、有独立办学资质、可独立授予学生国外学历或学位的普通高等学校及专科院校。具有国外院校学籍是指已在海外院校注册且具备获授海外院校学历或学位的资格。

All team members must be currently enrolled students holding student status at a non-Chinese institution of higher education, or graduates of such an institution within the past five years (i.e., graduates after 2021, the same hereinafter). The applicant must be the team leader, and the institution represented by the team shall be determined by the team leader's student status or academic qualification at a non-Chinese institution; the institution represented shall be unique. A "non-Chinese institution" refers to a university or junior college located outside the People's Republic of China that has independent qualifications to operate and can independently

award foreign academic qualifications or degrees. Holding student status at a non-Chinese institution means having registered at such an institution and being eligible to be awarded an academic qualification or degree by it.

根据参赛申报人所处学习阶段，项目分为本科生组、研究生组。根据项目发展阶段，本科生组和研究生组均内设创意组、创业组，请各推荐院校指导项目填报参赛类型。具体参赛条件如下：

Based on the academic stage of the applicant, projects are divided into the Undergraduate Group and the Postgraduate Group. Based on the project's stage of development, both the Undergraduate Group and the Postgraduate Group comprise the Idea Stage and the Startup Stage. All recommending institutions are requested to guide their projects in selecting the correct entry type. The specific entry requirements are as follows:

(一) 本科生组

(i) Undergraduate

1. 创意组。参赛项目具有较好的创意和较为成型的产品原型或服务模式，在 2026 年 7 月 23 日前尚未完成工商等各类登记注册。参赛申报人须为项目负责人，项目负责人及成员须均为在校本科生或专科生。

1. Idea Stage. Projects should demonstrate strong creativity and a well-developed product prototype or service model, and must not have completed any business registration (including industrial and commercial registration) before July 23, 2026. The applicant must be the project leader, and both the project leader and all team members must be currently enrolled undergraduate or associate degree students.

2. 创业组。参赛项目须已完成工商等各类登记注册（在 2026 年 7 月 23 日前注册）。参赛申报人须为项目负责人且为参赛企业法定代表人，须为在校本专科生，或毕业 5 年以内的本专科学学生。

2. Startup Stage. Projects must have completed all necessary business registrations (including industrial and commercial registration) before July 23, 2026. The applicant must be the project leader and the legal representative of the participating company, and must be either a currently enrolled undergraduate or associate degree student, or a student who graduated from an undergraduate or associate degree program within the past five years.

（二）研究生组

(ii) Postgraduate

1. 创意组。参赛项目具有较好的创意和较为成型的产品原型或服务模式，在 2026 年 7 月 23 日前尚未完成工商等各类登

记注册。参赛申报人须为团队负责人，须为在校研究生。项目成员须为在校研究生或本专科生。

1. Idea Stage. Projects should demonstrate strong creativity and a well-developed product prototype or service model, and must not have completed any business registration (including industrial and commercial registration) before July 23, 2026. The applicant must be the team leader and must be a currently enrolled postgraduate student. Team members must be currently enrolled postgraduate, undergraduate or associate degree students.

2. 创业组。参赛项目须已完成工商等各类登记注册（在2026年7月23日前注册）。参赛申报人须为项目负责人且为参赛企业法定代表人，须为在校研究生，或毕业5年以内的研究生学历学生。

2. Startup Stage. Projects must have completed all necessary business registrations (including industrial and commercial registration) before July 23, 2026. The applicant must be the project leader and the legal representative of the participating company, and must be either a currently enrolled postgraduate student or a postgraduate degree holder who graduated within the past five years.

三、赛事安排

III. Competition Rules

国际参赛项目参加今年大赛高教主赛道比赛，与高教主赛道中国大陆参赛项目和中国港澳台地区参赛项目同场评审，分类排名。按照资格审核、网络评审、现场比赛三个阶段，由大赛组委会统一组织。

International entries will participate in the Higher Education Main Track of this year's Competition, and will be evaluated together with entries from the Chinese mainland and from the Hong Kong, Macao and Taiwan regions of China in the same track, but ranked separately. The Competition comprises three stages — Eligibility Review, Online Evaluation and On-site Competition — and shall be uniformly organized by the Organizing Committee.

1. 资格审核（2026 年 9 月 16 日—9 月 25 日）。针对评审规则涉及的主要评审要点，大赛组委会对报名的国际项目的参赛资格和材料完备性进行审核。

1. Eligibility Review (September 16–25, 2026). The Organizing Committee will review all submitted materials from international participants to ensure completeness and adherence to eligibility requirements.

2. 网络评审（2026 年 9 月 26 日—10 月 25 日）。对资格审核合格的项目进行多轮网络评审，其中最后一轮为总决赛评审。

2. Online Evaluation (September 26 – October 25, 2026). Projects that pass the Eligibility Review will undergo multiple

rounds of online evaluation, of which the final round is the Grand Final evaluation.

3. 现场比赛（2026 年 11 月）。总决赛评审的优胜项目参加大赛总决赛的现场比赛。如无法现场参赛，总决赛的答辩评审将以线上路演方式进行。

3. On-site Competition (November 2026). Projects selected in the Grand Final evaluation will participate in the on-site competition of the Grand Final. If on-site participation is not possible, the defense and evaluation of the Grand Final will be conducted by way of online roadshow.

四、奖项设置

IV. Awards

国际参赛项目设置金奖 60 个、银奖 120 个、铜奖 420 个。

International projects will compete for 60 Gold Awards, 120 Silver Awards and 420 Bronze Awards.

五、参赛报名

V. Registration

1. 国际参赛项目请登录全球青年创新领袖共同体促进会（PILC）官网（网址：<https://www.pilcchina.org>）注册报名并提交参赛材料。报名系统截止时间为北京时间 2026 年 9 月 15 日 24 时。

1. International projects should register and submit entry materials on the official website of the Promotion Association for Global Youth Innovation Leaders Community (PILC) (<https://www.pilcchina.org>). Registration closes at 24:00 on September 15, 2026 (China Standard Time, UTC+8).

2. 参赛项目必须提供 PPT 形式的商业计划书，可自行选择是否提供 Word 形式的商业计划书或 1 分钟视频作为辅助资料。为便于评审，所提交的商业计划书请转换为 PDF 格式再行上传。

2. Projects must submit a business plan in PPT format, and may choose at their own discretion whether to provide a business plan in Word format or a 1-minute video as supplementary materials. For the convenience of evaluation, please convert the business plan into PDF format before uploading.

3. 为便于审核参赛资格，所有参赛团队成员必须在报名截止日期前提交学籍学历证明或持股证明。有指导教师的团队，须同时在报名系统填报指导教师信息。

3. For the convenience of eligibility review, all team members must submit proof of student status or educational qualification, or proof of shareholding, before the registration deadline. Teams with mentors must also provide their mentor's information in the registration system.

4. 所有参赛材料和现场答辩原则上使用中文或英文，如有其他语言需求，请联系大赛组委会。

4. All entry materials and on-site presentations shall, in principle, be in Chinese or English. If another language is required, please contact the Organizing Committee.
